***International Inventory Management Opens Facility in Springville***

***Salt Lake City, Utah***—International Inventory Management (IIM) recently announced the opening of its Springville City facility, a 20,000-square foot manufacturing plant that will eventually employ up to 10 people. Headquartered in Elon, North Carolina, International Inventory Management provides custom-designed part manufacturing and commercial part outsourcing capabilities specialized for machinery in the pharmaceutical market. IIM has an impressive listing of customers including Johnson & Johnson, Pfizer, Merck, Teva and Eli Lilly, along with Utah customers such as Cornerstone, Alpine Health, Twin Labs and CSB.
